## Fun-filled day for Satya Bharti students

Students of Satya Bharti School Program, a flagship initiative by Bharti Foundation, celebrated Children's Day

along with students of other schools. The programme was organised in Pomia village by World Vision India, Nabagram Block Development Program, Murshidabad. The day-long inter-school program was organised for the students of different schools from several villages. About 250 children participated in the fun-filled competition.

Children enjoyed activities like biscuit race, maths race, 100 mts race, 50 mts race, potato race, balloon blasting, skipping and musical chair.
