Children's Day celebrations

THE students of Satya Bharti School Programme, a flagship initiative by Bharti Foundation celebrated Children's Day along with the students of other schools organized by World Vision India, Nabagram Block Development Program, Murshidabad. The day-long inter school program was organized for the students of different schools from the nearby villages.

Satya Bharti students from Amodpur Govt. Primary School, Amodpur Govt. Middle School, Khairagachi Govt. Primary School and Pomia Govt Primary School along with other participants from various other schools from Rainda, Bicchuti etc. As many as 250 children participated in the fun filled competition organized in Pomia village.

Children enjoyed the activities like biscuit race, maths race, 100 mts race., 50 mts race., potato race, balloon blasting, skipping, musical chair, go-as-you like and recitation. To encourage their sporting spirit prizes were also given away by Mr. Shantanu Sarkar, Block Head for World Vision India.

The teachers of the Satya Bharti Schools were also appreciated for their whole-hearted participation to make the initiative successful and memorable for all.

The Satya Bharti School programme is being implemented with the intent to arrive at replicable and scalable components of quality education which may be adapted by the government and other like-minded organizations. Reaching out to millions of underprivileged children, the program, through its focus on holistic development, aims to bring forth a new generation of citizens who are not only educated but also committed to their own community/village and eager to usher in positive change.
