Empowering the Girl Child
(All Satya Bharti Schools)

National Girl Child Day was celebrated on 24th January, 2015 across all Satya Bharti Schools located in six states of India. Students were engaged in various activities to help usher the Girl Child towards a brighter future. Fancy dress competitions, debates, painting, collage-making, poster-making, and community mobilization activities such as rallies and street plays were conducted by students to help spread the message. Fellow students from the neighbouring government schools were also invited to be a part of this event in some of the Satya Bharti Schools. In Satya Bharti Adarsh Senior Secondary School, Sherpur Kalan, Luchiana, 10 CBSE affiliated schools from the vicinity also participated in the event.

The fervour and enthusiasm with which the National Girl Child Day was celebrated helped in promoting the importance of the Girl Child.

Friendship Cricket Match
(Satya Bharti School, Bhojpur, Shahjahanpur, Uttar Pradesh)

With the focus on providing external platforms to our students for their holistic development, a ‘Friendship Cricket Match’ was organized by Satya Bharti School, Bhojpur, in Shahjahanpur, Uttar Pradesh on 11th February, 2015 with several students and community members among spectators. Inspired by the 20/20 match series, this was a 10:10 match between Government Primary School, Kaarak and Satya Bharti School, Bhojpur. Praveen Gangwar from Satya Bharti School scored half a century, bringing the total score to 92 runs for four wickets. The Government School team put up a good fight but fell out on a score of 52 runs and seven wickets. All the participants were awarded merit certificates and the members of the winning team received special gifts.

Inter-school events foster the spirit of healthy competition and a greater interest in sports among children.

Providing Exposure – Enhancing Knowledge
(Satya Bharti School, Thenkarkeri, Sivaganga, Tamil Nadu)

Students of Class four and five visited an exhibition conducted by APISA College of Arts and Science at Tirupathur. They viewed projects related to the field of Science and Arts that were prepared by the college students. College students and their teachers gave a live demonstration of their projects. Students of Satya Bharti School - Thennkarkeri observed the functioning of an ATM machine as well as a showcase on revenue generation tools including tourism, currencies of the world, etc.

This exposure visit helped students develop their knowledge base and gave them fresh ideas for making their own projects.

Spreading the Message – Swachhata Abhiyan
(Satya Bharti Schools, Luchiana, Punjab)

Students from five Satya Bharti Schools, accompanied by the local Bharti Aajkal team, conducted a sanitation campaign in their respective villages. Through rallies and door-to-door campaigns in their respective villages, the students spread the message of the importance of creating proper drainage systems, using toilets as well as maintaining a healthy lifestyle. During the door-to-door visits, Satya Bharti School students made the children and adults of the households wash their hands and also distributed biscuit packets among them. The students recited slogans during this activity to lay an emphasis on the messages delivered. Around 500 households were covered during this activity across five villages, conducted on four consecutive Saturdays.

Community campaigns help deliver the message of cleanliness and form an important integral in the nation’s agenda for Swachh Bharat.

Raising the Bar Each Time
(Satya Bharti Schools, Jodhpur, Rajasthan)

Two Satya Bharti Schools located in Jai Bhandu and Ghumansingh Pura were felicitated by the Sub-Divisional Magistrate of Shergarh at the Block Level Republic Day Ceremony. The schools were felicitated for their pro-active social campaigns on sanitation awareness, innovation in education leading to enhanced learning among students, participation in Design for Change community campaigns and for conducting school events such as Rang Tarang, Sports Day, etc.

Visits by local dignitaries and important government officials add credibility to our schools in the community, while also validating the efforts of the Foundation at the school level.
