Teachers' Oath Ceremony

A Visit by Dr. APJ Abdul Kalam, Former President of India
(Satya Bharti Adarsh Senior Secondary School, Shergarh Kaler, Ludhiana)

Dr. Kalam visited the school and administered the Teachers' Oath written by her for her teachers. On the occasion, distinguished guest dignitaries of Punjab were invited. Several guest, school teachers and our dear Satya Bharti School teachers took the Oath (in Satya Bharti School teaching). Dr. Kalam also toured the library exhibition set up by the students & teachers. He also participated in an interactive session with more than 200 students in the School.

On the occasion, Dr. Kalam urged the teachers to be true professionals in every sense, he said, "Teachers play a big role in giving wings to the dreams of their students". He inspired the teachers to learn a lasting impression on students with the way they teach their own class, adding, "Special needs are the most powerful resource" and that teachers should play a pivotal role in guiding young minds. He also stressed the teachers should focus on students who are at the bottom of the academic ladder and not only on brilliant students.

The Oath binds a sense of ownership among Satya Bharti School teachers towards future development of their students, thus the principles of the Oath write with the teaching guidelines of Bharti Foundation.

Student Achievements

The awards and accolades bagged by our students have testimony to the impact of quality education imparted at Satya Bharti Schools. This year more than 20 students from Punjab, Rajasthan, Madhya Pradesh and Uttar Pradesh cleared the National Entrance examination.

Academics, an alumna of Satya Bharti School, Uttar Pradesh received a scholarship from the National Talent Search Examination (NTSE). She is one of the five students awarded from her state by the National Council of Educational Research and Training (NCERT) for the pan India scholarship program.

Fact²

Fact³

Community Volunteering Program

Community Volunteering program was conducted across Satya Bharti Schools in its full spirit and fervor. Under the program, community members are facilitated over the responsibility to conduct classes for students and give their expertise on local art, craft, culture and music, unique to their own village or community for a few selected days.

The program helps in active engagement of the community with Satya Bharti Schools, ensuring a great response and depth appreciation from the community members. It further connects students with their local culture helping them develop a sense of belonging and identity towards the community.

Immunization Camp

(Satya Bharti Schools, Punjab)

Immunization Camps were organized in collaboration with the Foundation for Satya Bharti Schools in Punjab. The camps were held in one secondary school of each district and nearly 400 Satya Bharti School students benefited from the camp. Consent was first obtained from the parents or providing required vaccination to the students. Students were issued Immunization Record & Health Cards for future use.

The camps succeeded in providing great motivation to the students and received positive response from the community. Through such camps the Satya Bharti School Program is trying to promote the importance of health and medical practices among students and communities.

Fact⁵

Engagement with Neighbouring Government Schools

(Satya Bharti School in Baramulla, Shergarhampur, Uttar Pradesh)

Three students from Satya Bharti School, Baramulla conducted a Yoga Camp for the students of Government Primary School of Baramulla village in Shergarhampur district. The camp was highly appreciated by the teachers of the Government school and the students also enjoyed practicing Yoga as an exercise regime.

Through this camp the Satya Bharti School students are trying to encourage the spirit of healthy living and fitness among students.
