**World Health Day**

*(Satya Bharti Schools, Gurgawan Cluster, Farnukhabad, Uttar Pradesh)*

Students from Satya Bharti Schools in Gurgawan Cluster ran a campaign comprising various activities across schools to sensitize the communities about the importance of maintaining health and hygiene in day to day settings. They organized rallies, health camps, first aid training etc. in the schools and villages and shared information on adapting healthy living habits.

The activities helped strengthening awareness on important topics like clean drinking water, cleanliness in and around the house, washing hands before and after meals, brushing teeth etc. Active participation of students in such campaigns helps ensuring that they stay aware of its importance and will continue to follow it.

**Fact 5**

**Fire Safety Day**

*(Satya Bharti Schools, Rajasthan)*

With an objective to create awareness on Fire Safety, a Fire Safety Day was organized across all Satya Bharti Schools of Rajasthan. The event comprised a mock fire drill under which the teachers demonstrated a step by step process that needs to be followed in case of fire. This process comprised the following: Raising an alarm, building evacuation, physical head counting, electricity power off, rescuing children and use of fire extinguishers.

The activity trained the students on effective steps to be taken in case of fire and also encouraged them to take the responsibility in times of crisis.
