Celebrating Womanhood
(All Satya Bharti Schools)

Women’s Day was celebrated across all Satya Bharti Schools with great respect and gratitude towards women. On the occasion, students along with teachers organized activities like community campaigns, performed role plays and shared life stories of certain women role models in the schools.

The International Women’s Day is celebrated on 8th March all over the world. The day is celebrated to recognize the fact that peace and social progress require active participation and equality of women. It is an occasion to appreciate and honour the life, grit, and determination of women.

World Water Day
(Satya Bharti School, Vadakueli, Sivaganga, Tamil Nadu)

Students celebrated World Water Day by spreading awareness on the importance of water conservation among the community. A group of students demonstrated ways of saving water and its significance as one of the most valuable resources.

Water conservation is a matter of great concern in today’s world. Through this activity, students of Satya Bharti Schools are trying to sensitize the communities on ways to conserve water and use it in an efficient manner.

Vote Awareness Rally
(Satya Bharti School, Jyana, Farrukhabad, Uttar Pradesh)

Satya Bharti students with the help of teachers organized a rally in the village to share the concept of elections and its role in the formation of the Government of the country. They demonstrated the process of casting electronic votes and choosing a political party/candidate.

Through this activity, students were made to understand the importance of casting votes, enabling them to be responsible citizens of the country. Also, the rally helped spreading awareness on election process and its significance in the society.

Campaign on Pesticide Free Environment
(Satya Bharti School, Gomla, Rewari, Haryana)

A rally was organized by the Satya Bharti students and teachers to sensitize the community towards discouraging use of pesticides. While the rally was being conducted, Bollywood actor, Mr. Kunal Kapoor visited the school and appreciated the efforts of Bharti Foundation towards educating the children at Satya Bharti Schools.

The rally proved to be a great motivator for the students as it received positive response from the community and Mr. Kunal Kapoor. The community acknowledged the ill effects of using pesticides and appreciated students for making them aware of the same.

Math Lesson Plan and Model Making Competition
(Satya Bharti Schools, Ramgarh Sirian Cluster, Ludhiana, Punjab)

A Math Lesson Plan and Model Making competition was held for teachers and students respectively, from eight Satya Bharti Schools. Teachers prepared Math Lesson Plans and students created Math Models for the competition. The Math Models were later presented to the community by students and received great appreciation by them.

The competitions helped motivating the teachers and students to create Math Lesson Plans and Models in an innovative manner, along with imbuing the concepts well at the same time.
