Math Week  
(All Satya Bharti Schools)

Math Week was conducted across all Satya Bharti Schools to learn mathematical operations in a fun manner. The students were made to organize and participate in various kinds of activities that involved mathematical calculations. Through Math Week activity students are made to experience use of mathematical operations in real life setting. They realize its importance and acquire skills to implement them in day to day life.

Participation in External Competition  
(Satya Bharti School, Pudhu Kandanur, Sivanganga, Tamil Nadu)

A group of students from Satya Bharti School participated in the dance competition organized by Alagappa University, Karaikudi, Tamil Nadu. The event saw participation from more than ten urban schools. Satya Bharti students received participation certificates for their performance. The event helped instilling confidence among students and presented them with an opportunity to perform at a large scale platform.

National Science Day Celebration  
(Satya Bharti Schools, Chak Mihi Khan Cluster, Amritsar, Punjab)

All schools across Chak Mihi Khan cluster celebrated National Science Day with great enthusiasm and motivation. The students presented various science experiments and demonstrated science models showcasing their knowledge. The activity enhances students' knowledge on science and helps giving them exposure to scientific processes and functions in a practical manner.

'Star Class' for Highest Attendance  
(Satya Bharti Adarsh Senior Secondary School, Fattuhalla, Amritsar, Punjab)

Teachers have started the practice of felicitating one class every month for scoring highest attendance during that particular month. This class is recognized in the morning assembly and a passing star is created which is owned by the class for a month. The activity has generated interest among children for maintaining high attendance records and has also developed a healthy competitive spirit amongst them.

Teachers Felicitation Program  
(Satya Bharti School, Kurrian Kalan, Shahjahanpur, Uttar Pradesh)

Sarpanch of Kurrian Kalan acknowledged senior teachers of the village. Mr. Razi Ullah Khan, Head Teacher of the school was awarded at this occasion. The aim of the ceremony was to honour extraordinary efforts and performance of school teachers. The event proved to be an excellent opportunity for strengthening community connect. Such activities help building positive image about the school and its teachers among parents and community at large.
