**Fact 1**

Design for Change
(46 Awards Won by Satya Bharti Schools)

Satya Bharti Schools encourage students to identify issues prevalent in their communities, address them through the Community Development Campaigns and emerge as socially responsible citizens. This year, 162 Satya Bharti Schools submitted 172 stories of change, out of which 46 were awarded under selected 200. Of these 46 awards, two were under Top 20, one under Jury's Pick, 19 under Honourable Mention (Top 72), and 24 under Special Acknowledgement categories.

Design for Change is a global movement initiated to give children an opportunity to express their own ideas for a better world and put them into action.
