Celebrating Children’s Day
(All Satya Bharti Schools)

Children’s Day was celebrated with full spirit and fervour across all Satya Bharti Schools. Children with support from teachers, presented cultural performances and participated in various activities at the school. Students from a few schools were also taken for an excursion visit to nearby locations.

Children’s Day is celebrated on the occasion of our country’s first Prime Minister, Pandit Jawahar Lal Nehru’s birthday. The main purpose of this day is to encourage the welfare of children all over the country. Fondly called as ‘Chacha Nehru’, he was known for his love for children, whom he saw as the bright future of India. Under his regime he established several educational institutions including All India Institute of Medical Sciences, Indian Institutes of Technology, and Indian Institutes of Management.

First Aid Training
(Satya Bharti Schools, RML, Haryana)

All Head Teachers were provided first aid training by Mr. Gupta, Secretary, Red Cross Society. The Head Teachers then further trained all school teachers on performing first aid activities in their respective schools. The teachers found the training very useful and relevant. The first aid training has enabled teachers with the right kind of knowledge and skills to deal with minor injuries at the school level.

Winner at External Quiz Competition
(Satya Bharti Adarsh Senior Secondary School, Rauni, Ludhiana, Punjab)

The school bagged first position at the branch level, Bharat Ke Jyot quiz competition organized by the Bharat Vikas Parishad, Khanna. Students from 16 renowned schools of Khanna took part in the competition. The Satya Bharti School students will also participate in the State level competition to be held in December. Participation in such competitions provide exposure to children, help developing confidence and inculcate competitive spirit amongst them.

Government School Participation
(Satya Bharti School, Warana Nangal, Amritsar, Punjab)

Drawing and essay writing competitions were organized between students of Satya Bharti School and Government Elementary School, Warana Nangal. 10 students from each school participated in these competitions. A joint-cultural performance was presented by the students. The event saw active participation from the community and parents along with two senior teachers of the respective Government schools. Winners were selected by a joint jury from both the schools and felicitated at the event.

Sensitizing Community on Tobacco Control & Women Health
(Satya Bharti Schools, Shahjahanpur, Uttar Pradesh)

Students from Satya Bharti Schools, Kurian Kalan and Ramnagar, conducted a rally on Tobacco Control in their villages. With support from the village heads, they also organized a session on healthy eating habits for the women of the community. Such campaigns help educate the parents and other community members on social issues and sensitize them towards their ill effects.
