Community Volunteering!
Community Volunteering week was conducted across all Satya Bharti Schools in full spirit and fervour. Students were exposed to local art, craft, folklore and music, unique to their own village or community. This helps connecting them with their local culture and also develops a sense of belonging and ownership in them.

Pledging to Save Water
(Tamil Nadu)
Students of Satya Bharti Schools, Thenkarai and Pethanendal, Sivaganga educated the community on importance of saving water – methods to save water, rainwater harvesting, etc., through conducting skits and rallies in the village.

Planting for Greener Tomorrow
(West Bengal)
Students of Satya Bharti School, Chargachhi planted more than 200 saplings in their school. Parents along with the community built a fence around the school and joined the students in tree plantation.

Making the Future Bright
(Punjab)
Two students of Satya Bharti Schools, Amritsar got admission into the Navodaya Vidyalaya after passing out from Class V. This is a clear indication of the quality teaching being imparted in our schools.

Learning is Made Fun
(Rajasthan)
Head Teacher of Satya Bharti School, Gilakur, Jodhpur ensures that students learn Mathematics through interactive Circle Time activity. It ensures that students gain conceptual understanding of the subject.
