Bharti Foundation was set up in the year 2000 as the philanthropic arm of Bharti Enterprises. It implements and supports programs in the field of primary, elementary, senior secondary and higher education through the Satya Bharti School Program as well as Government School interventions under its Satya Bharti Quality Support Program and Satya Bharti Learning Centre Program. In 2016, the Foundation completed 10 successful years of its flagship initiative – the Satya Bharti School Program.

In addition to its primary focus area of education, the Foundation initiated ‘Satya Bharti Abhiyan’ in 2014, to improve sanitation facilities in rural Ludhiana and ‘Nyaya Bharti’ in 2015 to provide legal and financial assistance to deserving underprivileged under-trials languishing in jails across the country for minor offences.

**Vision:** To help underprivileged children and young people of our country realize their potential

### Towards Delivering Quality Education

**SATYA BHARTI SCHOOL PROGRAM:**

The Satya Bharti School Program is the flagship initiative of Bharti Foundation. This rural education initiative provides quality education to underprivileged children, completely free of cost, with a special focus on the girl child. The program envisions transforming students into educated, confident, responsible and self-reliant employable citizens of India with a deep sense of commitment to their society. The program’s reach is multi-pronged: encouraging active involvement of the rural community, parents of students and like-minded organisations working in the field of education in India. Making a lasting and sustainable impact on the community where schools are present and finding innovative solutions through its primary and senior secondary schools, the Satya Bharti School Program is being implemented with the intent to arrive at replicable and scalable components of quality education which may be adapted by the Government and other like-minded organizations. Reaching out to thousands of underprivileged children, the program, through its focus on holistic development, aims to bring forth a new generation of citizens eager to usher in positive change.

SATYA BHARTI QUALITY SUPPORT PROGRAM:
The Satya Bharti Quality Support Program is an education initiative with Government Schools. Through this program, Bharti Foundation engages the school leadership, teachers, students and communities to enhance the schooling experience and strive for excellence. The approach focuses on identifying, integrating and optimising best practices from Satya Bharti Schools with the intent of encouraging innovation, participation, ownership and facilitating a sustainable change.

SATYA BHARTI LEARNING CENTRES:
This remedial/bridge courses program run by the Foundation, aims to bridge the education gap of out of school children to mainstream them into regular schools. The first phase of the program, deployed in partnership with the Government of Rajasthan was scaled up to Madhya Pradesh and Jharkhand, extending program reach to the remote blocks of all three states.

HIGHER EDUCATION PROGRAMS:
Bharti Foundation partnered with Indian Institute of Technology, Delhi in 2000 to set up the Bharti School of Telecommunication Technology and Management, IIT Delhi. The Foundation has also set up the Bharti Centre for Communication, Bombay in partnership with IIT, Bombay. The Bharti Foundation recognizes and awards exceptionally talented students to pursue studies at The Cambridge University, UK, through the Manmohan Singh Bursary Fund. In addition, Bharti Institute of Public Policy, Mohali has been set up in a partnership between Indian School of Business (ISB) and Bharti Enterprises with Fletcher School of Law and Diplomacy, Tufts University (USA) as its partner school.

SATYA BHARTI ABHIYAN
On 18th August 2014, Bharti Foundation launched the Satya Bharti Abhiyan, an initiative to improve sanitation facilities with rural Ludhiana as a focus area. Phase one of the program has been completed with individual toilets constructed and handed over across rural Ludhiana. In addition, 14 Government schools, identified by Punjab Education Development Board, have been provided a separate toilet for girls. Satya Bharti Abhiyan has commenced work in the urban areas of Ludhiana district under Phase II of the program. A list of 493 toilets was shared by Punjab Municipal Infrastructure Development Company (PMIDC). All the 201 households in this list that did not have a toilet have been provided one, thereby directly impacting 1,020 beneficiaries.

NYAYA BHARTI
'Nyaya Bharti' is a one-of-its-kind corporate social responsibility (CSR) initiative by Bharti Enterprises, one of India's most respected business groups. The primary objective of Nyaya Bharti is to provide aid to underprivileged undertrials who are first time offenders accused of petty offences and require financial and legal assistance to apply for bail and release. It also extends assistance to poor convicts undergoing imprisonment for petty offences due to their inability to pay petty fine imposed by the courts. Nyaya Bharti's Governing Board is headed by Justice A.S. Anand (Retired Chief Justice of India).

The Nyaya Bharti initiative aims at providing legal assistance and creating awareness about the undertrials' legal rights while complementing the legal aid work being undertaken by National Legal Services Authority (NALSAs) and State Legal Services Authorities (SLSAs) set up under statute legislated by the Parliament. The office of Nyaya Bharti is located in New Delhi. Under this initiative 49 bail orders have been obtained and the release of 45 underprivileged undertrials has been affected.

Recent Initiative – Partnership with University of Cambridge:
The University of Cambridge and Bharti Foundation, signed a Memorandum of Understanding (“MoU”) on 12th September 2016 to conduct a corn / baby corn crop improvement research program in India. The program is scheduled to be funded through a grant from Bharti Foundation to the University of Cambridge. The grant will support a three-year research program carried out between Cambridge’s Department of Plant Sciences and the Cambridge Centre for Crop Science (3CS), Punjab Agricultural University and FieldFresh Foods.
