Introduction

The 11th edition of Airtel Delhi Half Marathon is scheduled for October 21, 2018 (Sunday). The Marathon is a great team building exercise to motivate, inspire and promote health and fitness among employees. It is also an opportunity for corporates and philanthropic individuals to support social causes and help raise funds.

We at Bharti Foundation have been a part of the Airtel Delhi Half Marathon for the past 9 years. Through the platform, we have connected with various partners who have supported our programs and have showcased their solidarity by running with us or donating for us at the Marathon.

Over the last nine ADHMs, 7000 plus employees from more than 90 corporates supported Bharti Foundation. The funds raised through the Marathon are used by Bharti Foundation to provide quality education to underprivileged children through its various educational initiatives across rural India. More information is available at www.bhartifoundation.org

For the year 2018, we invite you to ‘Standup for Education of Underprivileged’ and support Bharti Foundation’s education initiatives through our ‘Run for a Cause’ initiative.

Note: Donations to Bharti Foundation are 80G tax exempt.

Why Bharti Foundation?

Bharti Foundation, the philanthropic arm of Bharti Enterprises, was established in 2000 with a vision ‘To help underprivileged children and young people of our country realize their potential.’ Since 2006, the foundation’s flagship initiative the Satya Bharti School Program has been constantly providing quality education, completely free of cost, to underprivileged children with a special emphasis on the girl child. In addition to its primary focus area of education, the Foundation initiated ‘Satya Bharti Abhiyan’ in 2014 to improve sanitation facilities in Punjab.

The Satya Bharti School Program envisions transforming students into educated, confident, responsible and self-reliant employable citizens of India with a deep sense of commitment to their society. The Satya Bharti Quality Support Program is an education initiative with Government Schools. Through this program, Bharti Foundation engages the school leadership, teachers, students and communities to enhance the schooling experience and strive for excellence.
